Thank You For Your Donation

Our care of the animals depends on funding, most of which we receive from generous friends like you. It can, at times, be very expensive to rehabilitate our rescues to the point that they can be released. If veterinary intervention is needed, that cost can multiply quickly! Our educational animals need housing, food, and care all year long. Whatever is not covered by donations comes out of our pockets, as wildlife rehabilitators receive no state or federal funding. Please give what you can; every donation helps. You have our thanks!

Please fill out the following form and make checks or money orders payable to the address above.

Donations may also be made via PayPal, by visiting our website (address above) and clicking the Donate button near the bottom of any page.

Note that some PayPal donations, as well as Facebook Fundraisers, etc., may show us as *Northeast Llama Rescue and Barnyard Sanctuary, Inc.* This is simply because we registered as a 501(c)(3) charity with the IRS before our primary focus had shifted to wildlife. *Donations are tax-deductible to the extent allowed by law.*

See the back of this page for other ways you can help support New York Wildlife Rescue Center.

New York Wildlife Rescue Donation Form

Please fill out this form, detach it, and submit it to the address above.

Name: _____

Address 1: _____

Address 2: _____

City: _____ State: _____ Zip: _____

Phone: _____ Can this number receive texts? _____

Email: _____

Amount: _____ Date: _____

Animal this donation accompanies, if applicable: _____

Notes: _____

Other Ways To Help

There are many ways to support the animals at New York Wildlife Rescue Center. Their health and welfare depend on the generosity of our friends in the community, and all over the world. The difference between a wild animal who can be raised for successful release, and one who cannot, often comes down to vet care and other physical needs — all of which require funding. Wildlife Rehabilitators receive no state or federal funding. Whatever isn't covered by donations comes out of our pockets. Thank you from the bottom of our hearts for all your support — past, present, and future!

Facebook Fundraisers

Many people set up fundraisers for their birthday and other events, or just to help charities. This is free for the person creating the fundraiser, and a great way to give. You will have to search for us as either “New York Wildlife Rescue Center” or “Northeast Llama Rescue and Barnyard Sanctuary, Inc.” That is us. (There is another organization that, very recently, began calling itself “New York Wildlife Rescue,” so be sure you also see “Northeast Llama Rescue” in the listing to select the right charity.)

iGive.com

Visit iGive.com and follow the instructions on their site as to how to earn donations for NYWRC while you shop online. When searching for your cause to support, **NY Wildlife Rescue Center c/o Wes Laraway** will find us.

Righi's Bottle Return

When you bring your recyclables to Righi's, you can designate New York Wildlife Rescue Center as a charity to receive a donation. They have several locations around Schoharie County.

Gift Certificates to Local Businesses

Tractor Supply and **Kelly Farm and Garden** in Cobleskill both sell gift certificates. We make a lot of our facility purchases through them. If you'd like to donate gift certificates to our cause, they will be put to very good use.

Wildlife Alive!

Text, email, or visit our website to learn how you can retain our licensed educators and their live wild animal friends for public and private events, school visits, and facility tours (by appointment only). Click on “*Wildlife Alive!*” in the main website menu for more information.
